

Pledge For The Park

South Cambridgeshire District Council intends to close Milton Country Park if they can't find anyone to take it on by 31st August 2007. You can find out more about this by visiting our web site:

www.PledgeForThePark.com

If the Park is to stay open it will need your help, especially financially, both initially and, more importantly long term. We don't want your money now but we would like you to pledge what you can afford so we know how much income the Park could expect.
